Luxury beach villa for rental in Mykonos. The villa is located 500 meters above Agios Sostis beach, one of the few protected and natural beaches of Mykonos Greece with wonderful sand and turquoise waters. A typical example of Cycladic architecture, the villa features tradition and elegance along with modernity and comfort. The ground floor has a spacious entrance, open living and dining area, fully equipped kitchen and the master bedroom with its bathroom. The top floor has one bedroom with double bed, one bedroom with two single beds, one bedroom with sleeping loft and two bathrooms. The lower floor has one stone-build double bed, fully equipped kitchen and bathroom.

All the bedrooms are air-conditioned and enjoy magnificent view to the sea. Outdoor there is a big veranda and the barbeque area where you can relax and have your coffee/drink or enjoy delicious dishes from our local chef. Both areas are shaded by wooden pergolas. In front of the villa there is a large private infinity pool with comfortable sun beds, stone-built pool bar and pool shower. The location of the villa makes the beaches of Agios Sostis and Panormos reachable within minutes, while Mykonos Town (Chora) is less than 15 minutes away by car where you can mix with the crowds and experience the island's famous night life.
